Healthcare Reform

Where We Are

How much are we spending now? State/Fed

How many people are we covering?

Who is required to be covered by Fed Law?

How do we compare with other states?

What are trends in spending?

How do are trends relate to trends in revenue increases?

How does Health of Arkansans compare to other state?

How efficient is our program administration compared to other states?

What group of people consume most dollars?

Healthcare Reform

WHERE WE WANT TO BE

Improve Health of Arkansans
Decrease Cost of Program
Superior care to those in need
Incentives for private ins (jobs)
