TO ALL TO WHOM THESE PRESENTS COME -- GREETINGS:

AN EXECUTIVE ORDER ON THE GOVERNOR'S DEVELOPMENTAL DISABILITIES COUNCIL

WHEREAS: The Developmental Disabilities Assistance and Bill of Rights Act of 2000 (P.L. 106-402) (the “Act”) requires each state that receives assistance under the Act to establish and maintain a council to undertake advocacy, capacity building, and systemic change activities that contribute to a coordinated, consumer- and family-centered, consumer- and family-directed, comprehensive system of community services, individualized supports, and other forms of assistance that contribute to the achievement of the purpose of the Act; and

WHEREAS: The Arkansas Governor’s Developmental Disabilities Planning Council was founded in 1972 and is now known as the Governor's Developmental Disabilities Council (“Council”); and

WHEREAS: The Administration on Intellectual and Developmental Disabilities (“AIDD”) and the Administration for Community Living Office of Grants Management (“OGM”) have recently classified the Council as high risk due to a “history of poor performance” and placed special terms and conditions on the Fiscal Year 2013, 2014, and 2015 grant awards issued in the years 2012-2014 and authorized under Subtitle B of the Act; and

WHEREAS: The decision to classify the Council as high risk was based on a determination that the Council has ongoing, systemic compliance issues and other problems in programmatic and fiscal operations including but not limited to: governance, fiscal management, use of federal dollars, state plan implementation, and unqualified members serving on the Council; and

WHEREAS: In order to address the Council’s history of poor performance and the compliance issues identified by AIDD and OGM, certain corrective action is necessary.
